

APPLICATION
for grant funds in the 'PhDBoost' Program for doctoral students of the Doctoral School of Poznan University of Technology

Applicant data/ Principal investigator		
1	Applicant / Doctoral student	
2	E-mail address (put.poznan.pl domain)	
3	Doctoral student ID number	
4	Faculty	
5	Institute	
6	Director of the Institute	
7	Scientific discipline	
8	Current year of study (as of December 31)	
9	ORCID	
10	Planned title of the doctoral dissertation	PL
		ENG
11	Planned date of submission of doctoral dissertation, specified in the Individual Research Plan (specifies the date of completion of education and loss of doctoral student status)	
12	Supervisor / Supervisors	
13	Auxiliary Supervisor	
14	Is the Applicant's doctoral scholarship financed from the Applied Doctorate program or project? (as of December 31)?	YES / NO*
15	Is the Applicant (or was the Applicant) a scholarship holder, project contractor, or principal investigator financed from external funds? (as of December 31)?	YES / NO*
15a	If YES , please provide the following information: Applicant's role, symbol, type of grant, title, financing institution, gross amount, implementation period, and indicate the research tasks carried out by the Applicant	

Information about the requested grant		
1	Grant title	
2	Grant tutor	
3	Grant implementation period**	planned end date
	planned start date	
4	Keywords	
5	Abstract (max 150 words):	
6	Grant description (max 2 A4 pages):	
	a) scientific objective (description of the problem to be solved, questions posed or research hypotheses),	
	b) importance of the grant, taking into account its impact on the current state of knowledge and development of the scientific discipline (justification for undertaking the research problem),	

* delete as appropriate

** the end date of the grant implementation cannot be later than the date of completion of education specified in the Individual Research Plan of the Doctoral Student/Applicant

	c) research concept (detailed research objectives, results of preliminary research), d) research methodology (manner of conducting research, methods, techniques and research tools, methods of analysis and development of results, devices and apparatus used in the research), e) bibliography.	
7	Expected results and manner of research settlement (max 300 words): including the expected impact on the quality of the doctoral dissertation and the career development of the Applicant	
8	Research tasks:	Estimated field of work:

Grant cost estimate		
No.	Planned expenses with justification:	Cost (PLN):
1		
2		
3	Indirect costs (5%)	
4	Total requested funds:	

Scientific achievements of the Doctoral student / Applicant		
No.	Publications	Points / IF
1	N.Surname, <u>N.Surname</u> , ..., title, journal name, volume (year), pages	
2		
No.	Conferences in which the applicant presented the results <u>in person</u>	Type of presentation
1	N.Surname, <u>N.Surname</u> , ..., title, place, date, domestic/international	oral / poster
2		
No.	Protection rights	Granted year
1		

International cooperation		
1	Will the grant be implemented within international cooperation?	YES / NO*
If YES , please provide the following information:		
1a	Scientific unit and country	
1b	Name and surname of the cooperating person	
1c	Position	

* delete as appropriate

1d	Profile and most important scientific achievements	(max 200 words)
1e	The impact of cooperation on the implementation of the doctoral dissertation	(max 200 words)

STATEMENT OF APPLICANT/DOCTORAL STUDENT

I, (name and surname), declare that all **information provided in this document is true**. I am aware that any false information may result in rejection of the application.

Furthermore, if the application is approved, I undertake to act as the Grant principal investigator. I declare that I will be responsible for the management of funds and settlements related to the implementation of this grant. I undertake to conduct the settlement process reliably and on time in accordance with the regulations in force at the University and the principles set out in the Regulations.

.....
(date and signature of the Applicant/Doctoral Student)

STATEMENT OF SUPERVISOR - GRANT TUTOR

I, (name and surname), acting as supervisor of a doctoral student.....

..... (name and surname of the doctoral student) declare that the subject of the Grant submitted as part of this application is directly related to the subject of the Applicant's doctoral dissertation. I confirm that the **grant project is a natural part of the current research carried out as part of the Applicant's doctoral dissertation and is consistent with the goals and plan contained in the Applicant's Individual Research Plan.**

I confirm that the grant project cost estimate includes items **necessary** to prepare the Applicant's doctoral dissertation, which do not duplicate the research infrastructure currently available to the Applicant. As the Grant Tutor, I undertake to provide support, advice and professional assistance in the implementation of the presented grant. I declare that the subject of the grant is directly related to the subject of the Applicant's doctoral dissertation.

I also accept trips planned by the Applicant under the grant.

.....
(date and signature of the Grant Tutor)

STATEMENT OF THE DIRECTOR OF THE INSTITUTE

I, (name and surname), acting as the Director of the Institute
.....
at the Faculty.....

I declare that I fully support the Applicant. I confirm that the **Institute has adequate space and facilities enabling the implementation of the Grant.** Additionally, I assure you that the Institute has appropriate research infrastructure to meet any possible needs related to the purchase of equipment or other planned items in the Grant cost estimate.
