Ordinance No. 50
of the Rector of Poznan University of Technology
of 1 October 2026
(RO/X/50/2026)

on the establishment of postgraduate studies
„Cybersecurity for Teachers"

Pursuant to Article 23(2) of the Act of 20 July 2018 – Law on Higher Education and Science (Journal of Laws of 2024, item 1571, as amended), in conjunction with Resolution No. 120/2024-2028 of the Academic Senate of Poznan University of Technology of 30 September 2026, **it is ordered** as follows:

§ 1

1. Postgraduate studies are hereby established at Poznan University of Technology on the basis of the curriculum approved by Resolution No. 120/2024-2028 of the Academic Senate of Poznan University of Technology of 30 September 2026, hereinafter referred to as the "studies", with the following particulars:
   1) name: ***Cybersecurity for Teachers***;
   2) ISCED classification: ***0612 – Database and Network Design and Administration;***
   3) code: ***SP-239;***
   4) language of instruction: ***Polish****;*
   5) number of semesters: ***3****;*
   6) form of studies: ***part-time****.*
2. The studies are delivered within the Faculty of Computing and Telecommunications.

§ 2

1. The Rector shall appoint the Head of Studies.
2. The Dean of the Faculty of Computing and Telecommunications, in cooperation with the Head of Studies, shall commission academic teachers of Poznan University of Technology and specialists from outside the University to deliver classes as part of the studies.
3. The Dean of the Faculty of Computing and Telecommunications shall be responsible for the academic content of the studies, the organisation of classes, and the conduct and implementation of the study curriculum.

§ 3

1. The following persons may be admitted to the studies:
   1) persons holding a full qualification at least at Level 6 obtained within the higher education and science system;
   2) persons who have completed higher education studies (at least first-cycle studies) covering subject matter in computer science, telecommunications or related fields, or who have equivalent subject-specific preparation;
   3) persons who have completed teacher training, including psychological and pedagogical preparation and preparation in the fundamentals of teaching methodology and voice production (Variant A3 + E of the teacher education standard – Journal of Laws of 2024, item 453), meeting the requirements set out in § 2(5) of the Regulation of the Minister of Education and Science of 14 September 2023 on the specific qualifications required of teachers (Journal of Laws, item 2102,

as amended);

4) persons who are preferably practising teachers or employed at a school or an educational institution within the education system, in view of the required professional (teaching) placements.

2. To complete the studies, students must obtain 32 ECTS credits and pass the final examination.
3. The studies enable students to obtain a partial qualification at Level 7 of the Polish Qualifications Framework.
4. Graduates of the studies shall receive a certificate of completion of postgraduate studies.

§ 4

This Ordinance shall enter into force on the date of its signing.

Rector
Poznan University of Technology

Prof. Teofil Jesionowski, Ph.D., D.Sc.
