

Resolution No. 200/2020-2024
of the Senate of Poznan University of Technology
of 3 July 2024

**on the opinion on the justification for submitting an application for the award of the
competent minister for higher education and science**

Pursuant to § 5 Section 4 Point 1a of the Regulation of the Minister of Science and Higher Education of 23 January 2019 on awards granted by the competent minister for higher education and science (Journal of Laws of 2021, item 2286), the Senate **considers it justified and supports** the submission by the Rector of Poznan University of Technology of an application for a team award of the competent minister for higher education and science for significant achievements in scientific activity, for the project *New (Bio)technologies for Waste and Wastewater Conversion into Biochemicals and Biofuels in a Circular Economy*, by the team composed of: Professor Piotr Oleśkowicz-Popiel, Ph.D., D.Sc., Mateusz Łężyk, Ph.D. Eng., Filip Brodowski, Ph.D. Eng., Anna Duber, Ph.D. Eng., and Natalia Gutowska, Ph.D. (*Engineering and Technical Sciences, discipline: Environmental Engineering, Mining and Power Engineering*).

This Resolution shall enter into force on the date of its adoption.
